

REMARKS

Applicant respectfully requests reconsideration of this application as amended.

By this Amendment, the specification has been amended to correct typographical errors and replacement sheets of the drawings are being submitted.

Additionally, the independent claims have been amended to recite that the second entity hosts a WAP gateway utilizing a web server application interface adapter. Support for these amendments can at least be found in paragraphs 39, 42, 59, 94, and the Abstract.

In that Stallings and the WAP forum article fail to teach or suggest this feature, the claims are patentably distinguishable therefrom. Furthermore, the claims that depend therefrom are also allowable for the reasons set forth above and any additional feature(s) recited therein.

Accordingly, a Notice of Allowance is respectfully solicited.

Should the Examiner believe anything further is desirable in order to place the application in even better condition for allowance, the Examiner is encouraged to contact Applicant's undersigned representative at the telephone number listed below.

The Commissioner is hereby authorized to charge to Deposit Account No. 50-1165 (T2147-907642) any fees under 37 C.F.R. §§ 1.16 and 1.17 that may be required by this paper and to credit any overpayment to that Account. If any extension of time is required in connection with the filing of this paper and has not been separately requested, such extension is hereby requested.

Respectfully submitted,
